**14th International Congress
of the European Association
for Veterinary Pharmacology and Toxicology**

Sponsor invitation to the 14th EAVPT Congress 24-27 June 2018, Wrocław, Poland

Dear Sir/Madam,

As the chairman of the 14th International Congress of the European Association for Veterinary Pharmacology and Toxicology it is my great pleasure to invite your company to participate in EAVPT's international event as a sponsor.

EAVPT Congress is a world-class meeting of scientists, representatives of regulatory bodies, R&D specialists from pharmaceutical sector and veterinary practitioners. We expect more than 500 participants from EU, both Americas, China, India as well as other Asian countries, Africa and Australia.

As part of the Congress agenda, there will be satellite conferences addressed to veterinary practitioners. These meetings, held at the Congress venue, will cover topics ranging from companion animal to farm animal and poultry medicine. Regulatory issues will be another strong point of the Congress.

Since EAVPT Congresses have always been a valuable platform for exchange and communication between academia, industry and regulatory sector, we encourage you to submit proposals of your own industry-oriented workshops.

We are looking forward to seeing you as a part of the 14th Congress of EAVPT in Wrocław, Poland.

Kind regards,

Marcin Światała
DVM PhD Professor
Chair of the 14th EAVPT Congress
